**Gain sharing (May Subd Geog)**  
 [HD4928.G34]  
 Here are entered works on any of a variety of wage payment methods in which workers receive additional earnings solely due to increases in productivity. Works on the distribution of money in the form of a bonus to employees as an outright gift or as a reward for outstanding achievement are entered under Bonus system. Works on the sharing of all profits or a predetermined percentage of them among all employees are entered under Profit-sharing.
